

REMARKS

Claims 13 and 14 are amended. Claims 48-76 are added. Claims 1-24 and 36-76 are in the application for consideration.

Claims 13 and 14 are amended to correct a grammatical error. Entry of the same is requested.

Claims 48-76 are added, and depend from independent claims in the application. Such are clearly supported from the application as-filed such that no matter is added. Entry of these new claims is requested.

The Notice of Allowance mailed October 20, 2003 included an Interview Summary requiring Applicant to provide a statement of the substance of the interview. Such is hereby provided below. The undersigned and Examiner Michael Lebentritt conducted a telephone interview on October 17, 2003. It was discussed and agreed during that telephone conference that claims 1-24 and 36-47 were allowable. The Examiner agreed to issue a Notice of Allowance if the undersigned agreed to cancellation of claims 25-35. The undersigned so agreed.

This application is believed to be in immediate condition for allowance, and action to that end is requested.

Respectfully submitted,
